Dear Kevin Anderson and Henry Candela:

Thank you for working with the Washington State Department of Ecology (Ecology) on the Scott Paper Mill (Site). On June 12, 2009, Ecology, the Port of Anacortes, and the Kimberly Clark Corporation entered into a Consent Decree for the Site with the Skagit County Superior Court (case no. 09-2-01247-7).

This letter provides Ecology's written notification that the requirements for the remedial actions required under section VI. A. 1. – 3. of the Consent Decree have been satisfactorily completed. Ecology made this determination pursuant to Section XXIX (Duration of Decree) of the Consent Decree.

Thank you for your efforts toward working to clean up the Site. Should you have any questions, please do not hesitate to contact Ecology's cleanup project manager for this Site, David Horne, at 360-742-1091 or david.horne@ecy.wa.gov.

Sincerely,

Erik G. Snyder
