Hydrofluorocarbon Restriction: Upcoming Deadline

Upcoming registration deadline, your business may be impacted

Washington state rule requires owners and operators of facilities that have refrigeration or air conditioning systems using certain pounds of refrigerant and global warming potential (GWP) to register in the Refrigeration and Air conditioning Management Platform.

Important dates for medium facilities

Date	Information
March 15, 2026	Medium facility registration due
Starting March, 2026	Program fees invoice sent. Payment due within 30 days.
March 15, 2027	Medium facility annual report due

Who needs to register?

Medium facilities need to register by **March 15, 2026.**
Medium facilities are:

- Facilities with refrigeration or air conditioning system that holds **200 - 1,499 pounds** of refrigerant and GWP greater than **150**

Reminder: The deadline to register large facilities was March 15, 2025. Register **immediately** if your facility is a large facility (**1,500 pounds** or more of refrigerant and GWP greater than **150**)
