

**Public Notice of Applications for State of Washington
401 Water Quality Certification and/or Coastal Zone Management Act
Federal Consistency**

Public Notice Date: May 26, 2022

Comment Period Ends: June 17, 2022

The Department of Ecology (Ecology) has received the applications listed below requesting a Section 401 of the Clean Water Act (CWA) and/or Coastal Zone Management Act (CZMA) federal consistency decision. Ecology is currently evaluating these projects to determine what Section 401 and/or federal consistency action may be required.

Pursuant to Section 401 of the CWA and CZMA, Ecology is requesting comments from the public, state and local agencies, tribes, and other interested parties regarding the impacts of each proposed activity. Conventional mail or e-mail comments on this public notice will be accepted and made part of the record. Please specify project name when submitting comments.

Project Name: Emerald Logistics

Applicant: Vector Development

Project Location: 6106, 6108, 6126, 6206, 6208 287th Street at Auburn, King County

Project Description: Permanently place approximately 25,000 cubic yards (cy) of fill within 0.39 of an acre (15,527 square feet, sf) of two Category III wetlands ("Wetland B" and "Wetland C") and 656 linear feet of an unnamed tributary to the Green River ("Stream Z") to construct a warehouse including a parking lot, truck loading courts, internal site access and turnaround, utilities, stormwater infrastructure, and frontage improvements along South 287th Street in Auburn. The applicant also proposes to replace two fish barrier culverts with two fish passable culverts designed using the stream simulation design methodology. The purpose of the project is to develop a new warehouse and associated facilities.
