

**Public Notice of Applications for State of Washington  
401 Water Quality Certification and/or Coastal Zone Management Act Consistency**

**Public Notice Date:** January 13, 2021

**Comment Period Ends:** February 4, 2021

The Department of Ecology (Ecology) has received the applications listed below requesting a Section 401 of the Clean Water Act (CWA) and/or Coastal Zone Management Act (CZMA) Federal Consistency. Ecology is currently evaluating these projects to determine what Section 401 and/or CZM action may be required.

Pursuant to Section 401 of the CWA and CZMA Ecology is requesting comments from the public, state and local agencies, tribes, and other interested parties regarding the impacts of each proposed activity. Conventional mail or e-mail comments on this public notice will be accepted and made part of the record. Please specify project name when submitting comments.
