RE: Coastal Zone Consistency for Corps Reference No. NWS-2020-0592,
4 Chelsea Farms Cooper Point, Eld Inlet, Thurston County, Washington

Dear Kyle Lentz:

On December 11, 2020, the Department of Ecology received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project.

This determination is for the project to continue to commercially cultivate up to 7.33-acres of geoduck clams, 3.79-acres of manila clams, and 2.04 acres of Pacific oysters over a 15.05 acre project area on tidelands in the eastern portion of Eld Inlet, South Puget Sound, Thurston County, Washington.

The project site is located on tidelands within the intertidal zone of Eld Inlet, South Puget Sound, on parcel numbers: 93019401002 and 93019600000, near Olympia, Thurston County, Washington; Section 16, Township 19 North, Range 2 West; WRIA 13, Deschutes Watershed.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Chelsea Farms determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination please contact Lori Kingsbury at Lori.kingsbury@ecy.wa.gov.

YOUR RIGHT TO APPEAL

You have a right to appeal this decision to the Pollution Control Hearing Board (PCHB) within 30 days of the date of receipt of this decision. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2).

To appeal you must do all of the following within 30 days of the date of receipt of this decision:

- File your appeal and a copy of this decision with the PCHB (see addresses below). Filing means actual receipt by the PCHB during regular business hours.
- Serve a copy of your appeal and this decision on Ecology in paper form - by mail or in person. (See addresses below.) E-mail is not accepted.

You must also comply with other applicable requirements in Chapter 43.21B RCW and Chapter 371-08 WAC.
