RE: Coastal Zone Consistency for Activity Undertaken by a Federal Agency
USCG Station Cape Disappointment Maintenance Dredge, Baker Bay,
Pacific County, Washington

Dear William Robinson:

On March 1, 2021, the United States Coast Guard (USCG) submitted a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP). On May 17, 2021, the USCG and Ecology agreed to stay the CZM until June 30, 2021. On June 9, 2021, the USCG and Ecology agreed to a second CZM stay until August 31, 2021. The proposed federal activity includes maintenance dredging at Station Cape Disappointment, with in-water flow lane disposal in Oregon. The project is located in Baker Bay, Pacific County, Washington.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with the USCG's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination please contact Laura Inouye at (360) 407-6165.
