RE: Coastal Zone Consistency for Activity Undertaken by a Federal Agency  
Des Moines Marina Entrance Channel Maintenance Dredging, Des Moines,  
King County, Washington

Dear Scott Wilkins:

On July 22, 2021, the City of Des Moines submitted a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP). The proposed federal activity is mitigation that was added to the existing maintenance dredging project. The mitigation is removal and replacement of existing creosote-treated timber piles and removal of overwater cover. The project is located in Puget Sound, King County, Washington.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with the City of Des Moines' determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination please contact Laura Inouye at (360) 407-6165.
