RE: Coastal Zone Consistency for Corps Reference #NWS-2017-573,
Point Julia South Boat Ramp Replacement Project, Kingston, Kitsap County, Washington

Dear Jeromy Sullivan:

On July 22, 2021, the Department of Ecology received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project.

This decision is for replacement of an existing concrete boat ramp with a double-lane, elevated boat ramp and floating dock system. The project is located at the end of Point Julia Road, Kingston, Washington, in Kitsap County.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Port Gamble S'Klallam Tribe's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency decision please contact Rebekah Padgett at (425) 365-6571.
