RE: Coastal Zone Consistency for Corps Reference #NWS-2019-650-WRD, Kayak Point County Park Day Use Area Improvements, Stanwood, Snohomish County, Washington

Dear Carol Ohlfs:

On June 18, 2020, Snohomish County Parks, Recreation and Tourism submitted a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP). On December 2, 2020, Snohomish County Parks, Recreation and Tourism and Ecology agreed to stay the CZM until June 18, 2021. A second stay was agreed to on May 28, 2021, extending the review period until October 15, 2021. On September 20, 2021, a third stay was agreed to, extending the review period until February 7, 2022.

This determination is for improvements to existing park recreational opportunities while protecting the existing park area from anticipated sea level rise. These activities would be located at the Kayak Point County Park, 15711 Marine Drive, Port Susan, Puget Sound, in Stanwood, Snohomish County, Washington,

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Snohomish County Parks, Recreation and Tourism's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination please contact Rebekah Padgett at (425) 365-6571.
