RE: Coastal Zone Consistency for Corps Reference #NWS-2021-245,  
Scriber Creek Trail Improvements Phase 2 Project, Snohomish County,  
Washington

Dear Monica Lynn Thompson:

On February 17, 2022, the Department of Ecology received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project.

This decision is for critical upgrades to an existing shared-use path from the Lynnwood Transit Center to Wilcox Park, including an increase to the width of the trail to 10-12 feet with 2-foot shoulders, elevation of the trail along a boardwalk to alleviate trail flooding, and re-alignment of the trail to allow for a wider turn radius.

The project location extends from the southwestern corner of the Lynnwood Transit Center to approximately 100 feet north of 200<sup>th</sup> Street SW, just north of Sprague's Pond Mini Park, Lynnwood, Washington, in Snohomish County.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with City of Lynnwood Parks, Recreation & Cultural Arts Department's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency decision please contact Rebekah Padgett at (425) 365-6571.
