Re: Coastal Zone Management Federal Consistency Decision for Latchague Dock Replacement (Corps No. NWS-2021-0709), Hidden Cove, Bainbridge Island, Kitsap County, Washington

Dear Bruno and Natalie Latchague:

On April 12, 2023, the Department of Ecology (Ecology) received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Bruno and Natalie Latchague's determination that the proposed work is consistent with Washington's CZMP.

On September 26, 2023, Bruno and Natalie Latchague and Ecology agreed to stay the CZM until April 12, 2024, in order for Bruno and Natalie Latchague to obtain a shoreline permit. A shoreline letter of exemption was issued by the City of Bainbridge Island December 18, 2023.

Proposed work includes the removal of an existing ramp, floats, and support piling. Install new ramp, floats, and seven support pilings. A new floating 16-foot by 38-foot boatlift waterward of the High Tide Line (HTL) is no longer proposed. The project is located at 14911 Skogen Lane Northeast, Bainbridge Island in Hidden Cove, Kitsap County, Washington.

If you have any questions regarding Ecology's decision, please contact Erin Hanlon Brown at 360-280-1037.
