Re: Coastal Zone Management Federal Consistency Decision for Velorum Ventures Boat Canopy (Corps No. NWS- 2023-0594), Lake Washington, Mercer Island, King County, Washington

Dear Gary Catlin:

On September 13, 2023, the Department of Ecology (Ecology) received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Velorum Ventures' determination that the proposed work is consistent with Washington's CZMP.

The proposed work includes installation of a new 360 square foot (SF) translucent canopy on an existing, previously permitted, residential boatlift, waterward of the Ordinary High Water Mark (OHWM). The canopy will be delivered to the worksite by barge and installed with manual labor. This activity will occur in Lake Washington at 6435 77th Ave SE, Mercer Island, King County, Washington.

If you have any questions regarding Ecology's decision, please contact Erin Hanlon Brown at 360-280-1037.
