Re: Coastal Zone Management Federal Consistency Decision for Hung Lift Installation (Corps No. NWS-2023-0301), Lake Washington, Bellevue, Washington

Dear Claudia Hung:

On August 16, 2023, the Department of Ecology (Ecology) received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Claudia Hung's determination that the proposed work is consistent with Washington's CZMP.

The proposed work includes the installation of a 194 square foot boat lift and a 97 square foot platform lift. The lifts will be assembled by hand. A containment boom will surround the dock and work area during lift installation. This activity will occur in Lake Washington at Bellevue, King County, Washington.

If you have any questions regarding Ecology's decision, please contact Erin Hanlon Brown at 360-280-1037.
