Re: Coastal Zone Management Federal Consistency Decision for Nies Bulkhead and Pier Maintenance project (Corps No. NWS-2022-0146), Lake Sammamish, Sammamish, King County, Washington

Dear Trevor Nies:

On November 16, 2023, the Department of Ecology (Ecology) received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Trevor Nies's determination that the proposed work is consistent with Washington's CZMP.

The proposed work includes re-decking the dock with grated decking. The existing footprint of the dock will be maintained. The existing bulkhead will be replaced within the existing footprint. This activity is located at 4007 E Lake Sammamish Shore Lane SE, within Lake Sammamish, King County, Washington.

If you have any questions regarding Ecology's decision, please contact Sonia Mendoza at (360) 918-1342.
