Re: Coastal Zone Management Federal Consistency Decision for Buchan Boat Lift
(Corps No. **NWS-2023-0727**), Lake Washington, Mercer Island, King County, Washington

Dear Richard:

On January 4, 2024, the Department of Ecology (Ecology) received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Richard Buchan's determination that the proposed work is consistent with Washington's CZMP.

The proposed work includes installing a 10-foot, 9-inch long by 13-foot, 3 inch wide (143 square feet) boatlift along a preexisting pier in a marina. The lift will be assembled by hand with various hand tools and set in place. The lift will be brought to the site by barge. This activity would occur in Lake Washington near 9150 Fortuna Dr, Mercer Island, King County, Washington.

If you have any questions regarding Ecology's decision, please contact Austin Schmalz at 425-301-6989 or Austin.Schmalz@ecy.wa.gov.
