Re: Coastal Zone Management Federal Consistency Decision for Algona Wetland Preserve Restoration and Interpretive Trail Project (Corps No. NWS-2023-0700), Wetlands and Unnamed Ditched Stream, Algona, King, Washington

Dear Russ Avery:

On November 2, 2023, the Department of Ecology (Ecology) received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with the City of Algona's determination that the proposed work is consistent with Washington's CZMP.

The proposed work includes rehabilitating and enhancing 2.2 acres of Algona Wetland Preserve, constructing an elevated interpretive trail and boardwalk, and creating a high-flow, seasonal connection between the wetlands and an adjacent unnamed, ditched stream. This activity will occur in wetlands and an unnamed stream at Algona Wetland Preserve, at the southwest corner of Ellingson Road and Pacific Avenue N, Algona, King County, Washington.

If you have any questions regarding Ecology's decision, please contact Leah Beckett at 425-324-5590.
