Re: Termination of Section 401 Water Quality Certification Order No. 20059.

Dear Erin Ewald:

For the reasons stated below, the Department of Ecology (Ecology) hereby terminates Section 401 Water Quality Certification Order No. 20059, pursuant to RCW 90.48.120.

Project Background

Section 401 Water Quality Certification (WQC) Order No. 20059 for Oyster Bay Shellfish Farm in Mason and Thurston County was issued on July 16, 2021 (with minor edits made April 25, 2023) for aquaculture activities.

Ecology is terminating the WQC Order because the project is certified under a different WQC Order. The project still has coverage under WQC Order No. 22017.
