Re: Section 401 Water Quality Certification Denial without Prejudice, Order No. **22947**, (Corps No. NWS-2022-0679-b), Myles Bulkhead Replacement, Island County, Washington

Dear Myles Yu:

On 11/13/2023, the Department of Ecology (Ecology) received a request for a Section 401 Water Quality Certification for the above-referenced project. Ecology has one year from the Section 401 Water Quality Certification request to issue its decision.

At this time Ecology has not received the necessary information needed to assure that the discharges from the project will meet state water quality laws and requirements. Therefore, pursuant to Section 401 of the Clean Water Act, Chapter 90.48 RCW, and Chapter 173-201A WAC, Ecology is denying without prejudice Myles Yu's request for a Section 401 Water Quality Certification. Receipt of a denial without prejudice does not preclude you from submitting a new request for a Section 401 Water Quality Certification at a later date.

If you have any questions, please contact Austin Schmalz at (425) 301-6989. The Enclosed Order may be appealed by following the procedures described in the Order.

Sincerely,

Joe Burcar, Section Manager
Northwest Region Office
Shorelands and Environmental Assistance Program

In The Matter of Denying Section 401 Water Quality
Certification to Myles Yu
pursuant to 33 U.S.C. 1341 (FWPCA § 401),
RCW 90.48.260 and Chapter 173-201A WAC

Myles Yu
1954 NW Blue Ridge Drive
Seattle, WA 98177

WQC Order No.	22947
Corps Reference No.	NWS-2022-0679-b
Site Location	Myles Bulkhead Replacement located within Saratoga Passage, near Camano Island, Island County, Washington.

On 11/13/2023, the Department of Ecology (Ecology) received a request for a Section 401 Water Quality Certification (WQC) for the above-referenced project. Ecology has one year from the receipt of the request for a WQC to issue its decision.

On 10/14/24, Ecology sent you an e-mail explaining that we needed a SEPA determination prior to the issuance of a WQC.

Without this information, there is not reasonable assurance that the project will meet state water quality laws. With the statutory deadline approaching, Ecology must deny the WQC at this time. Therefore, pursuant to Section 401 of the Clean Water Act, Chapter 90.48 RCW and Chapter 173-201A WAC, Myles Yu's request for a WQC is denied without prejudice.

Receipt of a denial without prejudice does not preclude you from submitting the information identified above with a new request for a WQC at a later date.

Your right to appeal

You have a right to appeal this Order to the Pollution Control Hearings Board (PCHB) within 30 days of the date of receipt. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21b.001(2).

To appeal, you must do all of the following within 30 days of the date of receipt of this Order:

- File your notice of appeal and a copy of this Order with the PCHB (see filing options below). "Filing" means actual receipt by the PCHB during regular business hours as defined in WAC 371-08-305 and -335. "Notice of appeal" is defined in WAC 371-08-340.
- Serve a copy of your notice of appeal and this Order on the Department of Ecology, in person, or by email (see addresses below).

You must also comply with other applicable requirements in Chapter 43.21B RCW and Chapter 371-08 WAC.

Filing an appeal

Filing with the PCHB

For the most current information regarding filing with the PCHB, visit: <https://elaho.wa.gov/> or call: 360-664-9160.
