Re: Coastal Zone Management Federal Consistency Decision for Neah Bay Outer Breakwater  
Repair Project FY 2026-2041, Neah Bay, Clallam County, Washington

Dear Jacqui Bergner:

On November 21, 2024, the U.S. Army Corps of Engineers, Seattle District submitted a Consistency Determination with the Washington State Coastal Zone Management Program (CZMP). Ecology issued a 21-day public notice on November 27, 2024, and received no comments.

The proposed activity includes repairing and maintaining 8,000 linear feet of the outer breakwater to its authorized dimensions. The project is located at the northeastern edge of Neah Bay, extending the entire length of the breakwater to Wadaah Island, in Clallam County, Washington.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with the U.S. Army Corps of Engineers' determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's decision, please contact Jessica Hausman at [Jessica.Hausman@ecy.wa.gov](mailto:Jessica.Hausman@ecy.wa.gov).
