Re: Coastal Zone Management Federal Consistency Decision for Skokomish RM 6.5
Restoration Project (Corps No. NWS-2023-0691), Skokomish River, Shelton, Mason
County, Washington

Dear Colin Tierney:

On October 11, 2024, the Department of Ecology (Ecology) received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Mason Conservation District's determination that the proposed work is consistent with Washington's CZMP.

The proposed work includes installing 15 engineered log jams in the mainstem Skokomish River, creating and enhancing 0.85 miles of side channel, installing 13 side channel log ELJ structures, and relocating the existing public access parking area and vault toilet out of the floodplain. This activity would occur in Skokomish River, near Shelton, Mason County, Washington.

If you have any questions regarding Ecology's decision, please contact Casey Vaughn at 564-669-4201.
