Re: Section 401 Water Quality Certification Denial without Prejudice, Order No. **23594**, (Corps No. **NWS-2023-897**), Comiskey-Lockett Soft Shore, King County, Washington

Dear Antonia Jindrich:

On 4/08/2024, the Department of Ecology (Ecology) received a request for a Section 401 Water Quality Certification for the above-referenced project. Ecology has one year from the Section 401 Water Quality Certification request to issue its decision.

At this time Ecology has not received the necessary information needed to assure that the discharges from the project will meet state water quality laws and requirements. Therefore, pursuant to Section 401 of the Clean Water Act, Chapter 90.48 RCW, and Chapter 173-201A WAC, Ecology is denying without prejudice Mid Sound Fisheries Enhancement Group's request for a Section 401 Water Quality Certification. Receipt of a denial without prejudice does not preclude you from submitting a new request for a Section 401 Water Quality Certification at a later date.

If you have any questions, please contact Austin Schmalz at (425) 301-6989. The Enclosed Order may be appealed by following the procedures described in the Order.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Burcar", written over a horizontal line.

WQC Order No.	23594
Corps Reference No.	NWS-2023-897
Site Location	Comiskey-Lockett Soft Shore project located within Puget Sound, Seattle, King County, Washington.

On 4/08/2024, the Department of Ecology (Ecology) received a request for a Section 401 Water Quality Certification (WQC) for the above-referenced project. Ecology has one year from the receipt of the request for a WQC to issue its decision.

On 3/3/2025, Ecology sent you an e-mail explaining that we needed a SEPA determination prior to issuing the WQC.

Without this information, there is not reasonable assurance that the project will meet state water quality laws. With the statutory deadline approaching, Ecology must deny the WQC at this time. Therefore, pursuant to Section 401 of the Clean Water Act, Chapter 90.48 RCW and Chapter 173-201A WAC, Mid Sound Fisheries Enhancement Group's request for a WQC is denied without prejudice.

Receipt of a denial without prejudice does not preclude you from submitting the information identified above with a new request for a WQC at a later date.
