Re: Section 401 Water Quality Certification Denial without Prejudice, Order No. **23833**, (Corps No. **NWS-2024-186**), White-Hartje Bulkhead Replacement, King County, Washington

Dear Barbara White-Hartje:

On 7/18/2024, the Department of Ecology (Ecology) received a request for a Section 401 Water Quality Certification for the above-referenced project. Ecology has one year from the Section 401 Water Quality Certification request to issue its decision.

At this time Ecology has not received the necessary information needed to assure that the discharges from the project will meet state water quality laws and requirements. Therefore, pursuant to Section 401 of the Clean Water Act, Chapter 90.48 RCW, and Chapter 173-201A WAC, Ecology is denying without prejudice Barbara White-Hartje request for a Section 401 Water Quality Certification. Receipt of a denial without prejudice does not preclude you from submitting a new request for a Section 401 Water Quality Certification at a later date.

If you have any questions, please contact Austin Schmalz at (425) 301-6989. The Enclosed Order may be appealed by following the procedures described in the Order.

Sincerely,

WQC Order No.	23833
Corps Reference No.	NWS-2024-186
Site Location	White-Hartje Bulkhead Replacement located within Lake Washington, Lake Forest Park, King County, Washington.

On 7/18/2024, the Department of Ecology (Ecology) received a request for a Section 401 Water Quality Certification (WQC) for the above-referenced project. Ecology has one year from the receipt of the request for a WQC to issue its decision.

On 6/9/2025, Ecology sent you an email explaining that we needed State Environmental Policy Act (SEPA) decision.

Without this, Ecology does not have the necessary information to certify that the project will meet state water quality laws. With the statutory deadline approaching, Ecology must deny the WQC at this time. Therefore, pursuant to Section 401 of the Clean Water Act, Chapter 90.48 RCW and Chapter 173-201A WAC, Barbara White-Hartje request for a WQC is denied without prejudice.

Receipt of a denial without prejudice does not preclude you from submitting the information identified above with a new request for a WQC at a later date.
