RE: Coastal Zone Consistency for Corps Reference #NWS-2018-1129-WRD, North Creek Regional Trail, Snohomish County, Washington

Dear Stephanie Cotton:

On November 26, 2019, Snohomish County Public Works submitted a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP).

The proposed project entails constructing a 2.8-mile pedestrian/bicycle trail between Centennial Park and North Creek Park. This will connect the existing Sammamish River/Burke-Gilman Trail in Bothell with the Snohomish County Regional Interurban Trail in Mill Creek. The project includes: permanent impacts to 2.22 acres of wetland and 1.82 acres of wetland buffer; and temporary impacts to 0.2 acres of wetland, 0.87 acres of wetland buffer, 1,557 linear feet of fish-bearing stream, and 65 linear feet of non-fish bearing stream. The trail corridor is located within Section 18, Township 27N, Range 5E, WRIA No 7, North Creek watershed.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Snohomish County Public Works's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination please contact Doug Gresham at (425) 649-7199.
