RE: Coastal Zone Consistency for Corps Reference #NWS-2020-157,  
Samish River Unit Parking Project, Edison, Skagit County, Washington

Dear Bridgette Glass:

On June 2, 2020, Washington Department of Fish and Wildlife (WDFW) submitted a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP).

This determination is for construction of a parking lot and entrance ramp from Bayview Edison Road to the Samish River Wildlife Unit.

The project is located near 6496 Bayview Edison Road, and the mitigation site is near 12561 Samish Island Road, Edison, Washington, in Skagit County.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with WDFW's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination please contact Rebekah Padgett at (425) 649-7129.
