RE: Coastal Zone Consistency for Corps Reference # 2020-00628,  
Barry Pier and Boat Lift, Lake Sammamish, King County, Washington

Dear Christopher and Kristy Barry:

On November 18, 2020, The Department of Ecology received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project.

This determination is for the maintenance to an existing 363 square foot pier including the replacement of the caps, stringers, and decking. These improvements would be located 4293 E Lake Sammamish Shore Lane SE, Sammamish, Washington in King County.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Christopher and Kristy Barry's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination, please contact Loree Randall at [loree.randall.ecy.wa.gov](mailto:loree.randall.ecy.wa.gov).
