RE: Coastal Zone Consistency for Corps Reference # 2019-00491,
Bellingham Sailing Foundation Youth Dock Expansion and Launch Ramp Construction
Bellingham, King County, Washington

Dear Craig Henderson:

On October 28, 2020, The Department of Ecology received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project.

This determination is for the installation of an additional floating dock adjacent to an existing structure at the site to support the Youth Sailing Program. These improvements would be located on parcel 380225130445 in Squalicum Harbor in Bellingham, Washington in King County.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Bellingham Sailing Foundation's determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination, please contact Loree' Randall at loree.randall.ecy.wa.gov.
