RE: Coastal Zone Consistency for Corps Reference # 2020-01046,
Limantzakis Residence, Lake Forest Park, King County, Washington

Dear Jonny Limantzakis:

On November 6, 2020, The Department of Ecology received a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the above project.

This determination is for the demolition of an existing dock and piles and the construction of an entry, walkway with ELL at the end, and a finger. The project also includes driving 26 new 8 inch steel support piles. These improvements would be located at 15514 Beach Drive NE, Lake Forest Park in King County.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Jonny Limantzakis' determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination, please contact Loree' Randall at loree.randall.ecy.wa.gov.
