Dear: MR MAHONEY

This is a follow-up to the Notification of Pending Inactive Determination letter (Notification letter) we sent to you on April 10, 2006. The Notification letter requested a site status update from you within 30 days of the date of the letter. Because we did not receive the update by May 10, 2006, **we are removing your site from the Voluntary Cleanup Program (VCP).**

The status of this site has been updated in Department of Ecology's database of contaminated sites. Once you are ready to pursue cleanup activities, you are welcome to reapply to the VCP. If you have any questions you may reach me at (360) 407-7244.

Sincerely

Nnamdi Madakor, VCP Coordinator
