

**STATE ENVIRONMENTAL POLICY ACT  
DETERMINATION OF NONSIGNIFICANCE**

**Proposed Action:** Agreed Order No. DE 16298

**Description of proposal:** Shell Oil Products US currently operates an oil refinery in Anacortes, Washington. Ecology is proposing to enter into an agreed order with Shell requiring Shell to inspect the integrity of their oily water sewer for releases or potential releases to soil and groundwater. If releases or potential releases are found, Shell will conduct remedial actions to reduce exposure pathways for waste constituents at the site. Actions include correcting the cause of the release or potential release, excavating contaminated soils where possible, extracting or treating contaminated groundwater, and groundwater monitoring.

---

**Proponent:** Shell Oil Products US  
8505 South Texas Road  
Anacortes, WA 98221

---

**Location of proposal:** Shell Puget Sound Refinery

**Lead agency:** Department of Ecology, Solid Waste Management Program, Industrial Section

The lead agency for this proposal has determined it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c).

This Determination of Nonsignificance is issued under WAC 197-11-340(2); the lead agency will not act on this proposal until the comment period ends June 7, 2021.
