RE: Determination of Potentially Liable Person Status

Dear Mr. Sweet:

On November 28, 2011 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Site Name: Sunnyside Municipal Airport Pesticide Spray Shed
- Site Address: 3318 E Edison Avenue, Sunnyside
- Facility/Site ID No.: 20367
- Cleanup Site ID No.: 11423

We have received your written notice accepting liability for the site. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at Sunnyside Municipal Airport Pesticide Spray Shed. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the Sunnyside Municipal Airport Pesticide Spray Shed.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, Jennifer Lind, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Jennifer Lind at 509-454-7839.

Sincerely,
