Glacier Northwest, Inc.**

Dear Mike Mendes:

In accordance with Section VIII.D of Agreed Order No. DE 6000, the Department of Ecology (Ecology) is providing written notification of the change in designated project contact for the Glacier Northwest, Inc. Site. I will be the temporary project contact, effective April 16, 2021. We are in the process of rehiring for a permanent project coordinator since Erin Hobbs will be leaving the Toxics Cleanup Program and taking a different position in the agency.

Should you have any questions, please do not hesitate to contact me by phone at (425) 649-7209, or by email at louise.bardy@ecy.wa.gov. Thank you for your continued commitment to the cleanup of the Glacier Northwest, Inc. Site.

Sincerely,

Louise Bardy
