RE: Determination of Potentially Liable Person Status: JELD-WEN Everett site.

Dear Mr. Russell:

On August 1, 2007 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for release of hazardous substances at the following site:

- Site Name: JELD-WEN, Inc. aka Nord Door
- Address: 300 W Marine View Drive, Everett, Washington
- County Assessor's Parcel Numbers: 29050700100400, 29050700101200, 29050700400100, and 29050700401900
- Facility Site No.: 2757

On August 7, 2007, Ecology received JELD-WEN's 30-day comment period waiver form accepting the liability for the site.

Based on the information available to date, Ecology finds that credible evidence exists that supports your status as a potentially liable person for the release at the Everett JELD-WEN property. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the Everett JELD-WEN site.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and Chapter WAC 173-340. Ecology's site manager for the facility, Isaac Standen, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Isaac Standen at (360)-407-6776.  
Sincerely,

Tim L. Nord, Manager
