Dear Mr. Croll:

RE: Determination of Potentially Liable Person Status

On August 31, 2006, the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a Potentially Liable Person (PLP) for a release of hazardous substances at the following site:

- Name: South Park Landfill
- Address: 8100 & 8200 2nd Avenue South, Seattle
- County Assessor's Parcel Numbers: 3224049005, 7328400005
- Facility/Site No.: 2180

The 30-day comment period on this preliminary notice expired on October 5, 2006.

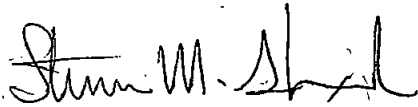

We have received your written notice accepting liability for the Site. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a PLP for the release at South Park Landfill. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person with regard to South Park Landfill.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, Brian Sato, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Brian Sato at (425) 649-7265

Sincerely,

Steven M. Alexander
