Dear Roger Foley:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. SW1748. The project involved the cleanup of the 901 S Main St Vader facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because you informed us by phone on September 21, 2021, that you wanted to withdraw from the VCP.

Next Steps

Based on this decision, Ecology may take one or more of the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.
2. Identify those persons we find potentially liable for cleanup of the Site.

3. Initiate discussions for an agreed order or consent decree that will govern further action at the Site.

You may apply to reenter the VCP if you decide to conduct further action at the Site.

Contact Information

Ecology is committed to working with you to accomplish the prompt and effective cleanup of the Site. If you have any questions about this notice, please contact me at (360) 407-6241.
