Re: Termination of VCP Agreement for the following Contaminated Site:

Site Name: Spokane Gun Club
Site Address: 19615 E Sprague Ave, Spokane Valley
Facility/Site No.: 50340
Cleanup Site No.: 14851
VCP Project No.: EA0350

Dear Ben Small:

The Department of Ecology (Ecology) is terminating the Voluntary Cleanup Program (VCP) Agreement (Agreement) governing Project No. EA0350. The project involved the cleanup of the Spokane Gun Club (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement, dated December 16, 2019.

Reason

Ecology is terminating the Agreement because we have decided to supervise further action at the Site under an order or decree.

Next Steps

Based on this decision, Ecology will take the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.
2. Conduct a site hazard assessment (SHA) and rank the Site for further action.
3. Identify those persons we find potentially liable for cleanup of the Site.

4. Initiate discussions for an agreed order or consent decree that will govern further action at the Site.

Questions

If you have any questions about the termination of the Agreement, please contact me by phone at 509-342-5564 or email at ted.uecker@ecy.wa.gov.

Sincerely,

Ted M. Uecker
