Vancouver Project  
Agreed Order: 07-TC-S-DE5189  
Agreed Order: DE 15806**

Dear Mr. Rankine:

As you are aware, Joe Aldridge is no longer with NuStar. Joe is listed as NuStar's Project Coordinator on the above referenced Agreed Orders for NuStar's Vancouver Terminal Project, and as such, all regulatory correspondence is directed to his attention. Please replace Joe Aldridge with me as Project Coordinator for Agreed Order 07-TC-S-DE5189 and Agreed Order DE 15806, so that regulatory and associated correspondence for this project will be addressed and directed to me.

Please let me know if you need additional information.

Sincerely,

Renee Robinson, P.G.  
Manager Remediation
