SUBJECT: Change of designated site manager and project coordinator for the follow
Weyerhaeuser Mill A Former Site, Everett, Washington

Dear Luke Thies:

In accordance with Section VIII.D of Agreed Order No. DE 8979 for the Weyerhaeuser Mill A Former Site (Site), this letter provides written notification of the change in designated Site Manager and Project Coordinator for Washington State Department of Ecology (Ecology) for the Site. Effective January 10, 2022, the new Site Manger and Project Coordinator for Ecology is Ryan Hardwick, taking over the duties previously provided by Andy Kallus. If you have any questions regarding this change, my contact information follows:
