and draft cleanup action plan (CAP) concerning the final cleanup of waste from the Texaco February 22, 1991 crude oil spill. The site is located on March Point Road directly west of the Texaco refinery. The public comment period is April 26, 1993 through May 25, 1993.

The Department of Ecology invites you to a public hearing on the proposed agreement and cleanup action plan. The public hearing will be held on Monday, May 17, 1993 at 7:00 P.M. at the Anacortes Public Library, 1209 Ninth Street, Anacortes, WA.

The decree requires Texaco to complete final cleanup activities on refinery property and property owned by a private land owner. The CAP identifies the different cleanup options that were considered in the cleanup negotiations, specifies which option is being considered for the site, and describes what level of cleanup will be attained at the site. The proposed consent decree and clean up action plan are available for review at the Anacortes Public Library, 1209 Ninth Street, Anacortes, Washington and the Department of Ecology, Industrial Section, located in the Chandler Court Business Complex, 2404 Chandler Court S.W., Suite 260, Olympia, Washington. Written comments should be submitted within thirty (30) days of the date of this notice to Mr. Paul Skillingstad or Ms. Kimberly Anderson, Department of Ecology, Mail Stop PV-11, Olympia, Wa 98504-8711. All comments received will be considered by the Department.
