**Re: Minor Amendment to Consent Decree NO. 11-2-27892-1 on Requirements of
Submittal of Monthly Progress Report, North Lot Development Site, Seattle,
Washington, CSID: 1966**

Dear Krys Svendsen and Stacey Lange:

The development and active remedial activities at the North Lot Development Site have been completed, and environmental covenants have been recorded for both the West Parcel (Tax Parcel Nos.: 795300-0000, formerly 7666206780 and 7666206790) and the East Parcel (Tax Parcel Nos.: 766620-4878) of the Property. The Department of Ecology (Ecology) has proposed to remove the requirement to submit monthly Progress Reports under Section XI of the Consent Decree.

Ecology has determined that this change is considered a minor amendment under Section XV of the Consent Decree. Therefore, additional public comment is not required. Since this proposed change is a minor amendment and has been agreed to by North Lot Development L.L.C. for the West Parcel, and 255 South King Street LP for the East Parcel, it is only documented in writing
