**Re: Termination of VCP Agreement for the following Site:**

- Name: University Volkswagen Audi
- Address: 4724 Roosevelt Way NE, Seattle, WA
- Facility/Site No.: 61165749
- VCP No.: NW2584

Dear Rob Will:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW2584. The project involved the cleanup of the University Volkswagen Audi facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

**Reason**

Ecology is terminating the Agreement because we understand that you are not actively cleaning up the Site. We sent you a letter, dated April 6, 2022, requesting an update on the status of your cleanup and your plan for completing the cleanup. Since we did not receive a response from you, we are terminating this site from the VCP program.

**Next Steps**

Based on this decision, Ecology may take one or more of the following steps:

1. Conduct a site hazard assessment (SHA) and rank the Site for further action.

2. If appropriate, identify those persons we find potentially liable for cleanup of the Site.
3. If appropriate, initiate discussions for an agreed order or consent decree that will govern further action at the Site.

You may apply to reenter the VCP if you decide to conduct further action at the Site.

### Contact Information

Ecology is committed to working with you to accomplish the prompt and effective cleanup of the Site. If you have any questions about this notice, please contact Grant Yang at (425) 495-1586 or [grant.yang@ecy.wa.gov](mailto:grant.yang@ecy.wa.gov).
