Subject:
Former Chevron Bulk Plant No. 100-1327
Monthly Progress Report – March 2022

Date:
April 11, 2022

Dear Mr. Shivjiani:

Contact:
Samuel Miles

On behalf of Chevron Environmental Management Company (Chevron) and King County, Arcadis US, Inc. (Arcadis) is submitting this March 2022 Monthly Progress Report (MPR) for the former Chevron Bulk Plant No. 100-1327 (the Site) located at Facilities North / King County (Metro), Seattle, Washington. Activities at the site are being conducted under a Consent Decree (No. 99-2-08621-1SEA) between Chevron, Metro, and the Washington State Department of Ecology (Ecology).

During the month of March 2022, the following project activities were completed:

Our ref:
30064328

- Preparation of the periodic review report
- Received and reviewed data associated with second semi-annual groundwater monitoring event. The event was delayed to early January due to severe winter weather conditions in December.

Activities to be completed in April 2022 include the following:

- Completion and submittal of the periodic review report
- Review any additional comments on the Gas Works Park RI/FS provided by Ecology.
