ORDER  
No. DE 90-C140  
First Amendment

TO: Tiger Oil Corporation  
P.O. Box 1489  
Boise, Idaho 83701

Authority

This Amended Order is issued pursuant to the authority of the Model Toxics Control Act, Ch. 70.105D RCW.

First Amendment

The original Order No. DE 90-C140 was issued on March 29, 1990, and in Section IV, 1 through 3, ordered Tiger Oil Corporation to a series of actions. In response, Tiger Oil Corporation has assumed a cooperative posture, started initial site investigation, and agreed to a new and more comprehensive schedule. Accordingly, items 1 through 3, Section IV, of the original Order, are hereby amended to read as follows:

1. A work plan and schedule of compliance for short term site stabilization shall be submitted to Ecology for review, comment and approval. This work plan/schedule shall be post marked no later than July 9, 1990. Ecology response shall be post marked no later than 10 working days of receipt of the report. Upon written Ecology approval, Tiger Oil Corporation shall commence site stabilization within 14 days. (It is understood that some efforts contributing to site characterization and stabilization are already underway.)

9/28 TN +  
= 10/12  
+ 1400K  
= 11/12

Within 20 days of completing the short term site stabilization, Tiger Oil Corporation shall submit to this office a report detailing those activities that occurred.

2/91

2. Within 60 days of completion of the short term site stabilization work, Tiger Oil shall submit to Ecology for review and approval, a detailed report on planned site investigation to determine extent and characterization of contamination and work schedule. Ecology response shall be postmarked no later than 10 working days from receipt of this remedial investigation report.

4/91

4/90

3. By same date as above No. 2, Tiger Oil Corporation shall submit to Ecology for review and comment, a conceptual work schedule through remedial investigation, design, cleanup action plan, full final cleanup and all intermediate steps; based upon best available assumptions and activity flow, and stating all such assumptions.
4. Tiger Oil Corporation is to continue, within all reasonable legal bounds, to share information and coordinate activity with Ecology regarding other potentially liable parties and regarding on-site or off-site activity as may affect adjacent properties.

All other portions of the original Order issued on March 29, 1990, remain unchanged and in force.

Effective Date of Amendment: 6/27/90

Dated this 27 day of June, 1990
