Re: Notification of Project Coordinator Designation

- **Site Name:** Kosmos Town Site (a.k.a. Riffe Lake)
- **Site Address:** Morton, Lewis County, WA 98356
- **Facility/Site ID:** 61559576
- **Cleanup Site ID:** 9890

Dear Kevin Smith:

Condition VIII, Subsection B of Agreed Order No. DE 16955 for the above mentioned Site, requires both the Washington State Department of Ecology (Ecology) and Tacoma Power to notify each other if a new Project Coordinator is designated. Ecology hereby notifies Tacoma Power that Cam Penner-Ash, Cleanup Project Manager, is now the agency's Project Coordinator for the Site. Contact information follows:

Cam Penner-Ash, Cleanup Project Manager
Toxics Cleanup Program
Southwest Region Office
PO Box 47775
Olympia, WA 98504-7775
360-999-9590
cam.penner-ash@ecy.wa.gov

Please contact me if you have questions or comments.

Sincerely,

Cam Penner-Ash, PG
Cleanup Project Manager
Southwest Region Office
Toxics Cleanup Program
