Subject:  
Former Chevron Bulk Plant No. 100-1327  
Monthly Progress Report – October 2022

Dear Mr. Atkins:

On behalf of Chevron Environmental Management Company (Chevron) and King County, Arcadis US, Inc. (Arcadis) is submitting this October 2022 Monthly Progress Report (MPR) for the former Chevron Bulk Plant No. 100-1327 (the Site) located at Facilities North / King County (Metro), Seattle, Washington. Activities at the site are being conducted under a Consent Decree (No. 99-2-08621-1SEA) between Chevron, Metro, and the Washington State Department of Ecology (Ecology).

During the month of October 2022, the following project activities were completed:

- Continue preparation of the report associated with the June 2022 groundwater monitoring event
- Review the Pre-Public Review Draft Remedial Investigation and Feasibility Study for the Gas Works Park Site.

Activities to be completed in November 2022 include the following:

- Finalize and submit the report associated with the June 2022 groundwater monitoring event to Ecology for review and comment
- Continue review of the Pre-Public Review Draft Remedial Investigation and Feasibility Study for the Gas Works Park Site.

If you have any questions or comments, please contact me at 206.853.7428 or by email at [Samuel.Miles@arcadis.com](mailto:Samuel.Miles@arcadis.com).

Sincerely,

Arcadis U.S., Inc.

Samuel Miles  
Project Manager
