Dear Brad Tesch:

Thank you for submitting the Post-Interim Action Construction Groundwater Monitoring Report for the Quiet Cove Site (Site) for review. The report summarized the groundwater monitoring at the Site between October 2021 and August 2022. The report appears to fulfill the requirements of the Post-Interim Action Construction Groundwater Monitoring Plan.

The Washington State Department of Ecology (Ecology) generally concurs with the Post-Interim Action Construction Groundwater Monitoring Report. Please move forward with finalizing the report and provide one electronic copy via email to [josh.morman@ecy.wa.gov](mailto:josh.morman@ecy.wa.gov) and feel free to contact me at any time.

Send two hard copies to the following address:
