Re: Appointment of new Remedial Project Manager for the Palermo Wellfield Superfund Site.

Dear Mr. Payton:

This letter provides notice pursuant to Section VII of Administrative Settlement Agreement and Order on Consent for the Palermo Wellfield Superfund Site (CERCLA Docket No. 10-2012-0149) of a change in personnel. Effective January 2, 2023, James Hall will replace Claire Hong as the Remedial Project Manager for the Palermo Wellfield Superfund Site. James's contact information is as follows:

James Hall
U.S. Environmental Protection Agency (MS 12-D12-1)
1200 Sixth Avenue, Suite 155
Seattle, WA 98101
Work Phone: (206) 553-1808
Email: hall.james@epa.gov

I wanted to thank you for all your work on the Palermo Wellfield site. I have been impressed by the dedication of you and your whole team to do the hard work needed to characterize the contamination, determine potential risk, and work to develop a comprehensive cleanup strategy. Underlying all of this work, I have seen your steadfast determination to protect the public.

Sincerely,

Claire Hong
Blackbird Mine Project Manager
