Subject: Voluntary Cleanup Program (VCP) Termination
Hardel Mutual Plywood Corporation Site
1210 West Bay Drive NW, Olympia, Washington
VCP ID SW1757, Formerly Agreed Order DE 4108, Cleanup Site ID No. 3704, Facility/Site ID No. 75128579

Dear Mr. Hunt:

On behalf of the VCP Customer (Brandon Smith of West Bay Development Group, LLC) and the VCP Customer's Project Manager (Kim Seely of Coastline Law Group PLLC), I am notifying you that we are terminating the VCP Agreement for the Hardel Mutual Plywood Corporation Site (VCP ID SW1757) that was signed by the Washington State Department of Ecology (Ecology) on September 21, 2021. We are terminating the VCP agreement because Ecology's recent request for sediment sampling is beyond the scope of the VCP. As a result, there is no need to issue a VCP opinion letter. We are in the process of requesting an Agreed Order with Ecology for this Site.

Thank you for your work on this project.

Respectfully,

Troy Bussey, Jr., P.E. (WA, CA, NC, SC, GA), L.G. (WA, CA, NC, SC), L.HG. (WA)
Principal Engineer
