Dear Rich Mueller:

RE: Invitation to Initiate Agreed Order Negotiations at the Moses Lake Port
Pumphouse 1 Site

The Department of Ecology (Ecology) would like to invite the Port of Moses Lake into negotiations for an Agreed Order at the Moses Lake Port Pumphouse 1 Site. The Agreed Order would be for the completion of remedial actions for contaminant releases at the site.

Enclosed please find a draft Agreed Order and Scope of Work for your review and comment. According to WAC 173-340-530, negotiations on the Agreed Order and related documents must be completed within sixty days of receipt of this letter, unless further negotiation is deemed by Ecology to be in the public interest.

Ecology looks forward to finalizing these documents and proceeding with work at the site. If you have any questions, please feel free to contact me at 509-514-6806.

Sincerely,

Kristin Beck
