

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Naches Valley Intermediate School Interim Remedial Action consists primarily of excavating and hauling away some soil contaminated with lead and arsenic for disposal at a permitted landfill, mixing remaining soil, importing clean soil, and establishing new grass in this clean soil. The plan includes installation of an irrigation system to maintain the turf cover.

Proponents: Washington State Department of Ecology

Location of proposal, including street address if any: Naches Valley Intermediate School, 101 Shafer Avenue, Naches WA 98937

Lead agency: Washington State Department of Ecology

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- There is no comment period for this DNS.
- This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal prior to July 31, 2006. Comments must be submitted by July 28, 2006.
