Dear Allan Gebhard:

The Washington State Department of Ecology (Ecology) approves your time extension request as detailed in your May 17, 2023 letter, Time Extension to Respond to May 4, 2023 Letter from Ecology Regarding: PLP Response Declining Ecology's Proposed Interim Action. We appreciate the reasonableness of your request. We also appreciate your coordination efforts with the City of Yakima on their planned 2023 public works project in conjunction with cleanup requirements consistent with the Model Toxics Control Act (MTCA), Chapter 70A.305 RCW¹.

We look forward to your response to this letter. If you have any questions about this response and these opinions, please contact me by phone at 509-225-0304 or e-mail at John.Zinza@ecy.wa.gov.
